

FEB 24, 99

DRAFT

From: Commander, Marine Corps Systems Command

To: Commanding General, Marine Corps Combat Development Command  
Attn: Requirements Division, 3250 Catlin Ave,  
Quantico VA 22134-5001

Subj: Functional Approved Acquisition Objective (AAO) Hardware Requirements for  
Transportation Coordinator's Automated Information for Movement System II  
( TC-AIMS II)

Ref: (a) Meeting with MCCDC (Req. Div) Major Lyon/MARCORSYSCOM (CIS)  
Mr. Heasley of 3 Sept 98

Encl: (1) TC-AIMS II Functional AAO Hardware Requirement

1. As discussed during the reference, request MCCDC confirm the below listed TC-AIMS II hardware requirement. The enclosure delineates the required functional AAO hardware requirements in greater detail, listing required types of hardware by division, major subordinate command, and by organizational type. A phased fielding will commence in FY99.

<u>Equipment Type</u>	<u>AAO</u>
Servers	112
Desktops	1017
Laptops	460
RF DCDs	1558
Bar Code Printers	630
OMC Readers	
RF Interrogators	

2. Request MCCDC confirm the TC-AIMS II Functional AAO and provide Comments on the enclosure.
3. The point of contact is Major J. Gannon, TC-AIMS II Project Officer, at DSN 278-1019, extension 5085.
