USMC APBI Overview

Speaker Notes

- Thank you to industry
 - Next two days present an opportunity to continue to **promote military/industry partnerships** and build upon past successes
- PM ICE Successes over the past year
 - MTV
 - Plate Carriers
 - FROG I/II
 - CDJ
 - Mountain/Ruggedized Cold Wx Boot
 - Running Suit
 - Helmet Sensors
- What's Next...
 - Spiral Development of FROG and increased shelf stock
 - Increase production of Plate Carriers in support of OEF
 - Naval Logistics Integration (NECC– PPE support to additional 45K)
 - 202K
 - Next Generation Helmet and Vest
 - Lightening the load
 - **TEAMWORK** – Continue to cultivate USMC/Industry partnership
 - **TEAMWORK** – Promote industry to industry teaming to benefit meeting USMC objectives
- Challenges
 - Sustainment (due to the introduction of new items)
 - **TEAMWORK** – USMC, DSCP, Industry Partnership
